

2019 two thousand nineteen **PROPHETIC WORD RELEASE** *SUPERNATURAL*

For the word of the Lord came unto me while preparing spiritually to deliver the message that God would have for His people for 2019. God said unto me that He has authorized me as a Prophet in the Kingdom to release a word unto the people of God for 2019. For the extreme anointing is upon your life. I have given unto you the authority to cast out demons, lay hands on the sick and cancel every plan of attack that enemy would have for my people. For you have been chosen by me, ordained by me saith the Lord and for this cause declare my word unto thy people.

I decree and declare in the name of Jesus Christ the son of the living God the word of the Lord unto you. Whatever has been a hindrance to your destiny say "BYE BYE" to it NOW!

Whatever barrier or obstacle that is in your way, by the time you settle in it will be removed.

You have crossed over into the New Year with less garbage than you have been carrying before.
